Step-by-Step Instructions

Thank you for choosing SPCImage NG analysis software. This guide will lead you step by step through the installation and license file inquiry process for SPCImage NG.

- 1. If not done already, download the SPCImage NG installer from: <u>https://www.becker-hickl.com/products/spcimage</u>
- After launching the installer file Setup_SPCImage_XXX.exe, a message may appear, asking you to uninstall the previous version of SPCImage NG (If you do not get this message proceed with step <u>10</u>). Please only click "Yes" if you already have a new license file (then proceed with step <u>7</u>). Otherwise click "No" and follow by inquiring a new license (steps <u>3-6</u>).

3. Read out the license number by opening the existing version of SPCImage NG and click on "About" in the "Help" menu. Copy the displayed License Number for the following step.

SPCImage 8.9 NG -

Sub. UUID:			
Order Nr.:			Generate Sublic.

- 5. There are two options to inquire a license, either by generating an Info File or by E-Mail.
 - a. The fastest way is by choosing "Generate Info File", save and send it to: info@becker-hickl.de.

License Enqiry	×
To obtain a license for this system, you have several options:	Request by E-Mail
 Obtain a license directly from Becker & Hickl GmbH by using request by e-mail or generating the info file and sending it manually to info@becker-hickl.de Derive a license from an existing parent license by generating the info file, transfering it to the 	Generate Info File
system that holds the parent license and using the "Load Info" button there	Cancel

 By choosing "Request by E-Mail" an E-Mail will be generated in the E-Mail-App on your PC. You can add further information and send the E-Mail to: info@becker-hickl.de.
